

# DISTINGUISHED PERFORMANCE AWARD FOR EXCELLENCE IN PUBLIC POLICY

**Carl Camden**  
**President and Chief Executive Officer**  
**Kelly Services**

CED is proud to recognize Carl Camden and Kelly Services for their strong commitment to educational excellence, innovation and economic development.

We are pleased to highlight Carl's far-reaching efforts to support policies that drive economic growth and improve workforce competitiveness and productivity through enhanced education reform, particularly at the postsecondary level.

As a Trustee of CED, Carl plays an important leadership role in sharing our recommendations for policy development with the larger business community. In addition to working closely with CED on our early childhood and postsecondary education programs, Carl has been a champion of our fiscal health initiative and work on health care reform, legal reform, and corporate governance.

Carl's expertise is broadly represented across business, government, academic, and non-profit sectors. In 2007, Carl was a founding member of Better Health Care Together, a coalition urging fundamental reform of the American health care system. He also serves on the Board of Directors of the Detroit Regional Chamber, the Board of Directors of the Detroit Medical Center, and the Board of Trustees of the University of Detroit Mercy, and on the Detroit Board of Directors for the Federal Reserve Bank of Chicago. Carl was also an associate professor in the Communications Department of Cleveland State University.

CED is pleased to count Carl as a Trustee and member of our Executive Committee. It is our honor to present the *Excellence in Public Policy Award* to him and Kelly Services.
